

Rave Review for Jobina Ponce's Skokie Kids Day Care

Hello, my name is Janet Sushinski.

I have had my child at the day care sponsored by Jobina Ponce for two years or so. I adore Jobina. She provides a loving, safe, nurturing and enriching environment. I feel confident that my daughter is receiving the best home day care services around from the hug she gets from Jobina when I drop her off to the home cooked meals to the fun she has with her friends. It is her home away from home.

I hope this review has been helpful to you.

Thanks,

Janet Sushinski,

Mother of a child at Jobina Ponce's Day Care.
