

Rave Reviews for Jobina Ponce's Skokie Kids Day Care

Date: April 15th, 2009

Dear Parents:

My name is Khedra Scott and I am posting my comment at Jobina Ponce's Day Care for your review and consideration. I hope it helps you in finding a safe place for your kids. My daughter has been with Jobina Ponce's Day Care for 2 years now...since she was 14 months old. I was a stay-at-home mom until that point, and the thought of going back to work was very scary for me. We looked at many day cares, in-home and traditional, but were not satisfied until we met Diane & Jobina. I was understandably nervous leaving Kynnedi that first morning, but when I picked her up that afternoon, her response let me know that she was in very good hands. She loves them! They made the transition easy for both of us.

Their educational curriculum is EXCELLENT! They spend a lot of time teaching the children. Before she reached two years of age, our daughter had the knowledge of a three or four year old. And as much as we'd like to take credit for that, we know that the majority of her learning came from her day care. They take time with the children...in a very loving and nurturing environment. I like the space that the children have both indoors and outdoors in the fenced-in yard with playground. Our daughter speaks and understands Spanish fluently now. And I'm jealous of how great she eats everyday! We are truly satisfied with our choice in day care and we recommend them to everyone.

Thank you,

Khedra Scott
